10 Ukrainian society of participants in the discussion of changes included in public, public and public discussions.

11 Religion in connection with reports of transformations has become a full-fledged sector of the economic sphere.

12 The creation of the analysis of relations in Ukraine coincided with the foundation and time of the development

13 of theological views in the field of economics. Probably, civilizational processes are connected with the Christian

14 Church and take on new forms.

15 N different religious traditions, entrepreneurship is valued differently, and different patterns of business activity
16 are formed. Cultural tradition influences the formation of the environment in which business is conducted, various
17 aspects of economic behavior ??15].

18 The state must move through the creation of fair economic institutions. Such institutions cannot be organized
19 in a cultural vacuum, they need a living ethos of culture, which can appear only in the process of formation and
20 approaching the ideal of a just society. It is important that moral and cultural institutions perform well their
21 tasks in the economic sphere.

22 Therefore, it is necessary to reveal the interaction of religion and society, to identify prospects and possible
23 ways to improve it. The rethinking of religion and its involvement in social processes is taking place all over the
24 world. Religious values and their influence on the formation of cultural, social and economic relations in society
25 are studied. The world experience of interaction between religion and the state is studied. In today's world, the
26 importance of religious beliefs can act as a catalyst for socio-economic change ??11] ????: ???? ??????????????
